

GIRLS EDUCATION INTERNATIONAL

Girls Education International Board of Directors Board Member

Girls Education International is looking for committed board members to serve our organization's governing body. Our board members play a vital role in the success of Girls Ed as active advocates and ambassadors for our mission and supporters of our financial management and fundraising efforts. This is a volunteer position.

Board members are expected to prepare for, contribute to, and actively participate in monthly operations meetings and quarterly governance meetings and engage in regular committee work. We are a working board and contribute approximately 15 hours per month.

A board member should have professional leadership experience and strong communication skills. An outstanding board member will be passionately committed to our mission of increasing girls' access to education in remote and developing regions of the world.

Skills & Qualifications:

- Strong oral, written, and intercultural communication skills
- Demonstrated experience with Google Workspace (Drive, Docs, Sheets, GMail etc.) and Zoom
- Ability to collaborate with team members virtually and work independently
- Nonprofit board experience and communication and fundraising skills are a plus
